Dear Sir,

I would like to inform you that I am making the following Nutritional Support Statements which I have substantiation that the statements are truthful and not misleading according to 403(r)(6) on the product 'NAM HOI HERBAL DIETARY SUPPLEMENT' which is scheduled to be marketed in May, 1996:-

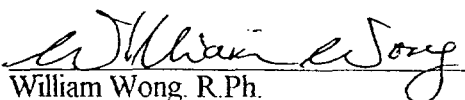

Nam Hoi herbal dietary supplement contains well known Chinese herbs which improve the qi(chi) of the blood and liver.

Taking this herbal dietary supplement can have a rather significant effect on the blood sugar and vision.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.'

Please inform me of any questions. Thank you.

Sincerely,

William Wong, R.Ph.
